Recording Your Voice-mail Greeting

Each phone has a voice-mailbox that needs to be set up with a personal greeting. Follow these instructions to setup your voice-mail greeting.

1. Press the pre-programmed "Record Greeting" button.
-or-
If you don't have a pre-programmed button, dial [TRANS/PGM] + [6] + [1].
2. Press [#] to begin recording.
3. Record your greeting.
4. Press [HOLD/SAVE] to end the recording and save your greeting.
