LG ipLDK-60 Station Name Programming

You can designate a "name" for your station. This name will appear on your display, as well as the display of any other station in your system that you call or that calls you.

- 1) Select "Menu". This is the up-arrow key on the navigation wheel at the bottom of the phone.
- 2) Press "1" for Basic Programming
- 3) Press "1" for Station Name Programming
- 4) Enter the Station Name using the Character Entry Chart Below
- 5) Press "HOLD/SAVE" to save the entry.

Character Entry Chart

Use the chart below to locate the letter, number, and symbol codes that allow you to enter text on a display and create customized messages.

Example: To enter the name MARY, you would use the dialpad to enter the number series:
